WISSAHICKON CHARTER SCHOOL

The application for the next school year is now available online. Please complete all of the information and fax or bring it to the school office between the hours of 8am and 4pm., Monday-Friday.

Kindergarten – We have 46 openings in kindergarten. Siblings of current students get preference and once we have accounted for those students, the remaining students are selected. Please note, if there are more applications than slots available we will draw a blind lottery. Names are placed in a box and drawn randomly until we get the allotted amount of students for the class. Parents will receive written confirmation that their application was received along with notification of the lottery date.

Important Dates

Kindergarten Applications Due- Nov. 30, 2007

Kindergarten Lottery- Dec. 8, 2007 or first school day after lottery date.

Parents informed of acceptance or spot on the Wait List- by January 4, 2008. Parents will be informed via letter and phone call.

Grades 1-8- We generally don't have openings in grades 1-8, but we conduct an application process and lottery just in case. Parents may download an application and fax to the school or complete an application in person at the school.

The process is the same as what occurs for kindergarten, except that all of the students are placed on a wait list, and if a spot opens up (if this happens it happens in the beginning of the school year) the parent will be contacted by letter and via phone call.

Important Dates

Grades 1-8 Application Due- 3/31/2008

Grade 1-8 Lottery- April 8, 2008 or first school day after lottery date.

All questions about the application process or the lottery should be directed to Jamal Elliott – Dean of Students- deanjamal@wisshickoncharter.org, 267-338-1020- ext 122.
